Images and SVG

Alt text for missing images

Inline: Company logo in a line of text.

A sized picture that is missing

Borders, padding and shadow on inline images

Text  sits on the baseline of the bordered image.

vertical-align

base top bottom text

middle raised 6pt lowered 50% text-top end

Vertical margins on an inline image open up the line.

img align and hspace

An image with align=right floats to the right, and hspace keeps the text away from its sides by six pixels on each.

SVG symbols, used from another SVG, and group opacity
