The page box

Every page has a border, padding and a dotted background image on its page box, behind the margin boxes and around the page area.

This paragraph is a closed bookmark with a label of its own.

A forced break between flex lines

Item one

Item two

Item three

Item four starts a new page

Item five

A flex row breaks inside its items at the end of a page

A named page with a border of its own

This section is on the named page "wide", which is wider and has a double border with rounded corners and a background colour of its own.
